REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The amendment filed on 2/27/2008 has been considered in view of the specification and the drawings of this application with respect to the references of the record. Komatsu teaches only that the control unit controls the voltage converter to apply a voltage smaller than a predetermined values to the electrical system of the DC load when a malfunction is detected in the electrical system between the DC power supply and the voltage converter. Providing a voltage converter between a source and a load that ensures that a decreased voltage arrives at the load, as taught in Komatsu, cannot reasonably be considered to correspond to second control means outputting to said first control means a command for instructing prohibition of electric power generation in the electric load or for instructing decrease in an amount of electric power generated by the electric load, when the down-converter fails. In this regard, the determinations made in the subject matter of the pending claims are different from those made in Komatsu and cannot reasonably be considered to be taught, or have been suggested, by the disclosure of Komatsu. Applicant's remarks filed on 2/27/2008 has been considered and the remarks are persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to /PAUL IP/ whose telephone number is (571)272-1941. The examiner can normally be reached on Monday to Friday from 6:30 am to 3:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lincoln Donovan can be reached on (571)-272-1988. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
